## Crash Course U.S. History: The Great Depression

In this tutorial video, you will take a whirlwind journey through the events that led up to the Great Depression. The video explores the possible causes of the Great Depression, including the economic, social and political changes that may have contributed to this financial crisis. The video also examines what took place after the Great Depression began, including the failure of many banks and massive unemployment across the nation. Enjoy this "crash course" in U.S. History!

### General Information
